

Transkrip Arsip WO 203/2455 Pernyataan Kapten Laughland (tertanggal 27 Februari 1946)

STATEMENT BY CAPT T.L. LAUGHLAND

=====

I, Capt T.L. LAUGHLAND, as a witness of Brig MALLABY's death, state that Brig MALLABY was definitely shot in cold blood by an Indonesian.

I consider this to be murder. I have re-read my original report on the incident and state that this gives the facts as they occurred.
